

Jon Bush and SPFA&G~

Thank you for your support of our troop and our project to build and install duck houses.

We have finally installed the first 10 duck houses and have set a date to build 10 more for April.

We also have planned another presentation of our project at our Somerset/New Richmond Girl Scouts Court of Awards in May. At that time any remaining brochures will be given to F&WS. They already have one batch.

The girls are also writing an article for the New Richmond News.

Thank you again for your support!

Star Prairie Fish & Game -

Thank you for the grant for
our Silver Award project. We have
made 10 wood duck houses and will
make 10 more in Spring.

We also created the enclosed brochures.

Thanks for your support of
deely ~~M. Burt~~ our troop!
